CHAPTER 2

WEB発のスローライフ・農業ファンタジー第2回!!

HEYA.

SWOOSH

WHOA.

のんびり異世界農家

第2話 万能農具

原作:内藤騎之介 作画:剣康之 キャラクター原案:やすも

AND IT'S DIFFERENT FROM USING THE HOE, THE WOOD MATERIAL REMAINS THE SAME.

IT'S LIKE CUTTING THROUGH A PIECE OF FOAM.

……

BUT TO GET USED TO THIS MULTI-PURPOSE TOOL.

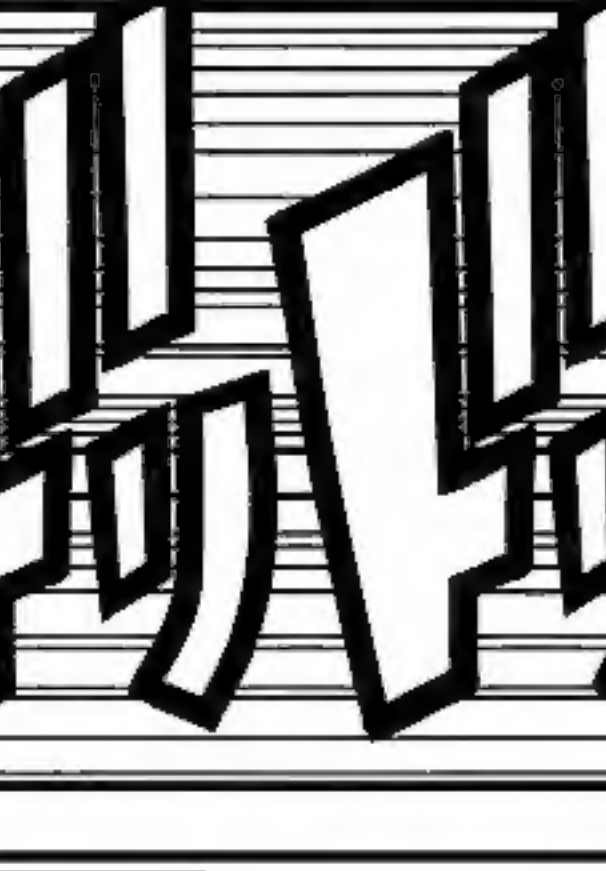
IT SEEMS LIKE THE FIRST THING I NEED IS NOT TO FIND A WATER SOURCE

SO I'LL NEED... A 10M SPACE IN DIAMETER.

NOW FIRST .....

DRILLING TIME

Inside Sketch.



IT ONLY TOOK LESS THAN 5 MINUTES.

TADAA

THE INTERIOR

ONLY NEEDS SOME FLATTENING WORK!

NOW I DON'T HAVE TO WORRY ABOUT A SHELTER.

NEXT IS WATER.

AT FIRST I ALMOST ENDED UP KILLING MYSELF FOR DIGGING STRAIGHT DOWN.

IN ORDER TO MAINTAIN THE OXYGEN LEVEL, I HAD TO DIG AN EXTRA 10M IN A DIAGONAL DIRECTION.

I TURNED THE *(A.F.M)* INTO A SHOVEL AND STARTED DIGGING.

AND I FOUND WATER.

THE PROBLEM IS, IS IT DRINKABLE ?

BUT I GUESS I DON'T HAVE ANY RIGHTS TO BE PICKY NOW.

I WONDER IF IT WAS BECAUSE OF THE HARDENED SOIL IN THE PREVIOUS AREA THAT STOPPED THE WATER FLOW THERE BUT THIS HERE IS SURELY A STRONG WATER SOURCE.

SHELTER PROBLEM IS SOLVED.

AFTER THAT IT'S FOOD BUT...

WATER PROBLEM IS ALSO SOLVED.

IT'S IMPOSSIBLE! I'VE NEVER DONE HUNTING BEFORE...

I FORGOT ABOUT FIRE!

AND IT'S GETTING DARK .....

CRAP

A MAGNI-FYING GLASS !

SO THE LEAST COMPLICATED TOOL TO MAKE FIRE MUST BE-

THE *{A.F.M}* CAN'T TURN INTO ANY ELECTRIC EQUIPMENT.

I GUESS IT CAN'T TURN INTO MACHINERY IN GENERAL.

……

ギャア…

rustle rustle

AS LONG AS THERE'S SUNLIGHT.

NOW I CAN CREATE A FIRE!

THAT'S WHAT I THOUGHT WHILE MAKING GLASSES AND PLATES UNDER THE BEAUTIFUL MOONLIGHT.

WHAT A STRANGE WORLD.

I GAVE UP AND SAT DOWN TO CREATE SOME SMALL ITEMS.

AS I EXPECTED, WHILE USING THE *{A.F.M}* I DON'T FEEL HUNGRY OR THIRSTY.

44…

GAH
.....

"ガッ"

IT MIGHT BE USEFUL FOR CREATING SMALL OBJECTS

BUT IT BARELY OFFERED ANY HELP IN CREATING MY NEXT IDEAL TOOL.

TESTING THE SMALL KNIFE FORM OF THE *{A.F.M}* ALL NIGHT SURE IS TIRING, YET.....

AS I THOUGHT, PULLING AN ALL-NIGHTER MAKES ME HUNGRY AND SLEEPY...

IN OTHER WORDS,

GULP GULP

GAH, THAT FEELS GOOD.

FIRST I NEED TO HAVE SOME WATER.

AND LOOKING FOR FOOD ON THE WAY.

THE NEXT THING TO WORRY ABOUT IS FOOD.

I WILL CONTINUE PLOUGHING AND MOVING

GROWLING

AH....

I.... I REALLY DID IT....

THAT WAS SUCH A CLEAN HIT.

UPWARD FROM THE NECK, I THINK I'LL USE IT AS FERTILIZER.

LET'S EAT, ITADAKIMASU.

グー

IT'S NO USE PREACHING TO A HUNGRY MAN.

パチッ

パチッ

stomach growling

BUT.

I ACTUALLY KILLED A LIVING BEING.

A huge rabbit with overly-developed fangs

MAYBE IT'S BECAUSE OF MY SIMPLE COOKING METHOD.

I GRILLED IT WITH NO SPICES SO IT HAD A FISHY KIND OF SMELL.

HM...

THIS DOESN'T TASTE GOOD AT ALL...

NEXT I NEED TO BUILD A TOILET.

AFTER DIGGING A HOLE, I USED A HAMMER TO HARDEN THE SURFACE.

2m

FOR NOW, IT LOOKS LIKE MY STOMACH WILL BE OK. I ASSUME THE TAP WATER IS OK TOO AND MY BELLY IS SWELLING.

USE A WOODEN PLANK TO COVER THE ENTRANCE.

I'M REALLY INTO THOSE WESTERN-DESIGN TOILETS.

NEXT, I DUG A HOLE THAT CONNECTS TO THE GROUND

THEN I PUT A SEAT THAT FITS THE HOLES.

I ALSO NEED TO BUILD A DOOR.

Air and light vents.

I'VE ALREADY BUILT WALLS ON ALL SIDES.

WAIT .....

MAYBE I'LL BUILD WALLS.

USING LEAVES TO WIPE.

So— Ah comfortable.....

LET'S TEST IT OUT.

NO PROBLEMS, I CAN RELAX A BIT NOW.

SINCE THEY'RE MADE OUT OF WOODS AND CAN ABSORB WATER SO I SHAVED OUT SOME EXTRA LAYERS OF WOODS AND MAKE A SPARE JUST IN CASE.....

ALL DONE.

NOW ALL I NEED TO DO IS TO BUILD A CEILING AND TANKS FOR FECES AND URINE CONTAINING.

BUT HOLDING AND TRANS-PORTING SUCH AN AMOUNT OF WATER MADE ME EXHAUSTED.

USING THE MULTI-PURPOSE TOOL SURE MAKES THINGS EASIER FOR ME.

Taking a nap on his newly-made floor.

To be continued.

I'VE BEEN BUSY ALL DAY, I NEED TO TAKE A REST.

LET'S GET SOME SLEEP .....

WE NEED DONATIONS!

Dear community members, we are running extremely low on finances. Please donate, if you like our project
